OBJECTIVE

Seeking work in any area of Information Technology.

SUMMARY OF QUALIFICATIONS

Worked for thirty-five years in the Information Technology field in positions ranging from Computer Operations to Programming Manager, covering positions such as Console Operator, Legacy Systems Programmer using IBM's CICS, COBOL, JCL, TSO, ROSCO, QUIKJOB, etc.; DB2 DBA, ORACLE DBA, and IMS DBA.

Since retirement I have set up an office at home, from which I have done a few consulting jobs and I build and maintain a few websites. I also design and print booklets, cards and reports,

EDUCATION

Information Technology, Associates Degree   August 1968 – December 1971
Alamance Community College, Haw River, NC
GPA 3.8/4.0

Studies focused in application development, IT project management, multimedia design, technical planning, and business case analyses. Created a system to match people that were compatible to each other for my graduation project.

EXPERIENCE

BUSINESS OWNER/MANAGER/IT DIRECTOR   April 2007 – July 2009
BETTYLU'S RESTAURANT AND CATERING, HAITHINC, HAW RIVER, NC

Set up an automated, full service, one hundred and twenty seat restaurant using PC America's POS System.

Freelance Web Designer   JULY 2005 – PRESENT
HAITH INCORPORATED, MEBANE NC

Designer and developer for web sites and promotional media for small businesses and churches. Utilized contemporary design to create concise web sites for specific client needs. Site creation included use of CSS, HTML, JavaScript, MySQL, Adobe Flash, and form processing. Created and assembled web graphics, including logos and advertisements. Designed newsletters for site launches and event announcements.
